The VK (Bon Jovi Tribute) lead guitarist Alessandro Morcelli left the Italian band after the last gig (05/25).

A new great guitarist joined VK line up for the next gigs and, we hope, for the future. Vagabond Kings are proud to announce their new guitarist: Fabio. He`s working hard to play his best in the next VK gig (07/07/07 live Tremignon PD): after only 2 weeks playing together he will be able to perform a whole live concert with his new band. And we are preparing a few surprises. Don`t miss Vagabond Kings Live In Tremignon - 07th July 2007 VK ROCK!
